In this animated prequel to "The Wizard of Oz" written by Frank Baum's great grand son, Roger Baum, a young circus lion is awarded a Badge of Courage and goes on a magical journey to the Land of Oz. Once there, the lion makes the ultimate sacrifice: he gives up his beloved Badge of Courage to save the magical Flower of Oz from the Wicked Witch of the East. He becomes a cowardly lion until he meets up with Dorothy, but that's another story! A beautifully animated story for the whole family, destined to be a classic.
